

2011 Report to the Missouri Court Reporters Association

Re: Facebook Page Launch

Madame President and Members:

In this age of social media, we are happy to announce that MCRA has launched a Facebook page. Administrators appointed by President Joanne Martin are Cathi Boyd, Renee Bierman and Jill Paulsen Harrison. This is in addition to our web page at <http://www.mocra.org>.

We would like to encourage everyone's participation in "liking" this site, and also starting some discussions about relevant topics. We have been posting photos from conventions, region meetings, and some "blast from the past" photos of some of our members.

If you have anything to contribute, please send photos to Cathiboyd@yahoo.com, reporterrenee@charter.net or JillPaulsen@sbcglobal.net.

Just search for "Missouri Court Reporters Association" on Facebook and click "like." Thank you!
