

PUBLIC RELATIONS COMMITTEE REPORT

The Public Relations Committee East presented a Making the Record Seminar to the St. Louis City Circuit Attorney's Office in March 2011. This allowed the circuit attorneys present to obtain one Continuing Education credit. Our committee plans to present more seminars in the upcoming year.

On June 8-10, 2011, several committee members represented MCRA as volunteers at the Solo & Small Firm Practitioner Conference, which was held at Tan-Tar-A, Lake of the Ozarks. We were very well received and very much appreciated for our willingness to volunteer. It was a great networking opportunity to visit with attorneys and judges. We have been asked to return next year and even present a seminar. The days were long, as some of our volunteer shifts began at 6:30 a.m., but it was truly an invaluable and inexpensive opportunity afforded to MCRA. Special thanks to my committee members for their dedication to the association: Tina Givens, Debbie McLaughlin, Carrie Dunne, Stephanie Prewitt, and all the reporters from Tiger Court Reporting.

Several committee members from PR West will be attending the 2011 Bench & Bar Conference in Kansas City as MCRA volunteers. This will be another wonderful opportunity to network and gain exposure for our profession.

We will also be participating in the Kids in Motion Project again this Christmas. Further information will be forthcoming within the next few months on how you can contribute or volunteer for this worthwhile event.

Respectfully Submitted,

Jennifer A. Dunn
Public Relations Chairperson
