

MISSOURI COURT REPORTERS ASSOCIATION

REPORT OF THE REGION III VICE PRESIDENT

For the year ending September 30, 2011

I began serving as Region III Vice President immediately following MCRA's 2009 convention. I continue to serve in this role to the present date, having performed my duties according to MCRA bylaws.

I attended the Post-Convention Board Meeting, October 2, 2010, held in St. Louis, Missouri.

I served on the Legislative Committee and baked cookies for the Legislative Cookie Blast, which was held February 16, 2011.

I attended the Winter Board meeting held February 26, 2011, at our convention site, Camden on the Lake.

I presided over Region III's annual meeting on May 16, 2011, in Moberly, at which five members were in attendance. During this meeting, I was re-elected region vice president for 2011-2012.

I was unable to attend the summer board meeting June 25, 2011, due to family obligations out of state. I did, however, in advance of the meeting submit a detailed report to the Board regarding convention planning that outlined a tentative agenda, CEU submissions, exhibitors/sponsors, donated items, and a preliminary budget.

I served on the Conference Planning Committee with fabulous co-chairs Melissa Holcomb of Region IV and Sandy Stewart, Region V. Convention planning began with our first meeting November 14, 2010, in Columbia. Sandy Stewart and I had on-site meetings with the hotel liaisons January 15 and August 18, 2011, as well as a planning meeting in Springfield July 16, 2011, with Melissa Holcomb. Convention planning has been a huge undertaking, and I'm incredibly grateful to my two co-chairs as well as the many MCRA members who have volunteered and participated in countless ways to bringing this year's conference to fruition.

Respectfully submitted,
